

**ORDER DETAILS**

CODE: 85007.200039  
 Colours: 902 Black Sand  
 Size: O/S

**STEP 1:**

Open Quick Release handle. If old bungee cord and cap are still in place, cut the bungee to remove any remaining cord.

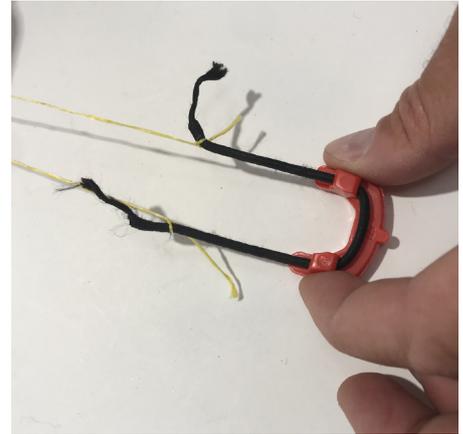

Remove the old bungee cap from the top side of the QR Handle.

**STEP 2:**

Remove the old bungee cap from the top side of the QR Handle

**STEP 3:**

Take new bungee cord with cap attached. Tie a 30cm length of nylon/string to each end of the bungee cord.

**STEP 4:**

Thread both of the nylon/string lengths down inside the QR Handle and through the corresponding holes in the QR body.

Ensure nylon/string and bungee is running clear of any other components or moving parts inside the QR.

**STEP 5:**

To fasten cap, insert small tab into the QR handle and push cap down into place.

**STEP 6:**

Pull one of the lengths of nylon/string until enough bungee comes through the corresponding recess.

**WARNING: Failure to install this product correctly may result in serious bodily injury or death.** Please contact your local North Retailer for support and ask for a qualified and experienced repair shop to carry out the repair. If you choose to carry out this repair yourself, please read and understand all steps contained in this installation guide before commencing installation. Take all necessary safety precautions. Safety precautions may include taking extreme care when using sharp objects and wearing all personal protective equipment necessary.

**STEP 7:**

Remove the nylon/string and tie a double stopper knot at the end of the bungee cord to hold the bungee in position.

**STEP 8:**

Repeat Steps 6 and 7 with the other end of bungee cord.

NOTE: Double stopper knots must be positioned to ensure the QR handle is tight and cannot be bumped open easily.

**STEP 9:**

Test the Quick Release is functioning correctly.
